

Larson & Darby Group - Healthcare

2009 AIA Northern Illinois Chapter Outstanding Firm of the Year

Burchard Hills Clinic/Freeport Health Network

For almost 50 years, Larson & Darby Group has delivered inspired design solutions to major healthcare providers across the region, designing a wide range of project types including new medical office buildings, public health clinics, hospital additions and renovations, as well as nursing homes and senior living centers. We have designed virtually every type of hospital addition and renovation project including emergency rooms, birthing centers, ambulatory surgical centers, high risk pre-partum maternal centers, post-partum rooms, adult and pediatric ICU's, chapels and cardiac catheterization procedure rooms. Our healthcare team has the expertise to provide you with exceptional design and award winning service on your next project.
